Invitation to Annual Rally 10 – 12 May 2018

The Rally offers exciting visits to Egeskov Castle, boat trip to the idyllic pearl of the South Funen island, Ærø, with the paved streets, hollyhocks and timbered houses, and visits at Jim Lyngvilds Viking stronghold, Raunsborg. Look forward to eventful days with legendary memories and high-end gastronomy and entertainment.

We meet at Egeskov Castle between 10am – 11am (latest at 11am). We have been allowed to drive through the main gate to the castle and park the cars. Manager Henrik Neelmeyer and Count Michael Ahlefeldt will greet us.

Then we will celebrate the rehearsal and rally signs, programs, etc will be handed out.

On Friday, we will go to the pearl of the South Funen island of Ærø, where we will visit Rise Brewery, Søby Boatyard and the cozy town of Ærøskøbing with its beautiful houses and cozy shops.

Did you know that in Ærøskøbing they produce whiskey as well as the world's best liquorice confection along with many other delicious specialties?

On Saturday, you do not want to miss an exciting visit to Jim Lyngvilds Viking stronghold, Raunsborg. He is giving us a guided tour, and the visit ends with lunch before returning.

Deadline for registration and payment is latest the 10.03.2018 via this link:
