UMBRIA RALLY
S. Martino in Campo (PG),
11-15 May 2023

The magnificent building of the Hotel Posta Donini 1579, where the rally will take place.

Dear Member,

the Italian Section and the Silver Cloud & S Type Register are pleased to invite all the members of the Rolls-Royce Enthusiasts' Club to join the Umbria Rally of next 11-15 May 2023. The rally is opened to every enthusiastic Club member.

Perhaps one of the most famous Italian areas in the world, Umbria is the region of the antic hamlets, full of history and masterpieces, which will be the protagonists during this rally. The sweet hills around these hamlets will be the perfect setting for driving our cars, while the typical food and wine will accompany the participants during the whole event.

We will be accommodated in the relaxing atmosphere of the Posta Donini 1579, a four star hotel located just outside Perugia, in the countryside. This magnificent building was built in 1579 by the Donini family, and it was recently converted into a charming hotel. You could get more information about the hotel on www.postadonini.it.

The full program of the event with all the details for booking is in the next pages. For further information, please don't hesitate to contact me.
